

# CENY KATALOGOWE – TERMA SMART

| Nazwa  | Cena<br>(PLN – Netto) | Kod produktu |
|--|-----------------------|--------------|
| Grzejnik el. TERMA SMART VOLTAN (1kW) 500/660          | 1550                  | WKVTN050066  |
| Grzejnik el. TERMA SMART VOLTAN (2kW) 500/1160         | 1800                  | WKVTN050116  |
| Sterownik TERMA Smart VEO                              | 422                   | WEVEO        |
| Głowica termostatyczna TERMA Smart VAZ                 | 399                   | WIVAZ        |
| Czujnik temperatury i wilgotności TERMA Smart VTS      | 150                   | WIVTS        |
| Czujnik otwarcia okna TERMA Smart VOS                  | 150                   | WIVOS        |
| Element grzejny SMART Split kl.I, 1000W                | 105                   | WESS110      |
| Element grzejny SMART Split kl.I, 1200W                | 105                   | WESS112      |
| Element grzejny SMART Split kl.I, 120W                 | 105                   | WESS101      |
| Element grzejny SMART Split kl.I, 1500W                | 105                   | WESS115      |
| Element grzejny SMART Split kl.I, 1800W                | 105                   | WESS118      |
| Element grzejny SMART Split kl.I, 2000W                | 105                   | WESS120      |
| Element grzejny SMART Split kl.I, 200W                 | 105                   | WESS102      |
| Element grzejny SMART Split kl.I, 300W                 | 105                   | WESS103      |
| Element grzejny SMART Split kl.I, 400W                 | 105                   | WESS104      |
| Element grzejny SMART Split kl.I, 600W                 | 105                   | WESS106      |
| Element grzejny SMART Split kl.I, 800W                 | 105                   | WESS108      |
| Element grzejny SMART Split kl.II, 1000W               | 244                   | WESS210      |
| Element grzejny SMART Split kl.II, 100W                | 192                   | WESS201      |
| Element grzejny SMART Split kl.II, 1200W               | 244                   | WESS212      |
| Element grzejny SMART Split kl.II, 1500W               | 244                   | WESS215      |
| Element grzejny SMART Split kl.II, 1800W               | 244                   | WESS218      |
| Element grzejny SMART Split kl.II, 2000W               | 244                   | WESS220      |
| Element grzejny SMART Split kl.II, 200W                | 192                   | WESS202      |
| Element grzejny SMART Split kl.II, 300W                | 192                   | WESS203      |
| Element grzejny SMART Split kl.II, 400W                | 192                   | WESS204      |
| Element grzejny SMART Split kl.II, 500W                | 192                   | WESS205      |
| Element grzejny SMART Split kl.II, 600W                | 192                   | WESS206      |
| Element grzejny SMART Split kl.II, 800W                | 192                   | WESS208      |
| Adapter głowicy termostatycznej na zawór M28x1,5 SMART | 24                    | TGD004       |
| Adapter głowicy termostatycznej na zawór RA SMART      | 20                    | TGD001       |
| Adapter głowicy termostatycznej na zawór RAV SMART     | 24                    | TGD003       |
| Adapter głowicy termostatycznej na zawór RAVL SMART    | 20                    | TGD002       |
